

## 31 Scattegories Game

Hi Ladies-- heres the game-- enjoy!

Hi All-- we're gonna play a fun little rendition of a favorite game of mine: "Scattegories". We're going to be playing with

...

the letter "C" for our founder Cindy Monroe who my favorite bag, the Cindy Tote, is named after! So you'll have 3 minutes to complete your answers (or you can ask each question and they have to write them down). If you have 2 C words-- 2 points and if someone has the same answer as you, no points-- just like the regular game. So, go ahead and number your paper 1-11 and we'll begin!

(You can use any letter, for example "T" for Thirty One or "P" for Purse, etc. But all of the answers are supposed to start with all of the same letter.

1. Something found lying around your car: \_\_\_\_\_
2. Something in your purse: \_\_\_\_\_
3. Something you take or eat for lunch: \_\_\_\_\_
4. Somewhere special you like to go out to: \_\_\_\_\_
5. A weekend activity: \_\_\_\_\_
6. Something you take on a getaway/vacation: \_\_\_\_\_
7. Something found in a backpack: \_\_\_\_\_
8. A makeup product: \_\_\_\_\_
9. an item found in a diaper bag: \_\_\_\_\_
10. Something found in a closet: \_\_\_\_\_
11. A quality found in a virtuous woman: \_\_\_\_\_

Now go around an have everyone say their answers-- if noone said their answer, they get one point.

In every area of our lives, there is a thirty one product to meet every virtuous woman's needs!

Well, at 31 we like to celebrate everybody, so tonight, our highest and lowest scores each win \_\_\_\_\_.
