

BEACH TOWEL GAME

Before the party, have your hostess tell each guest on their reminder phone call that they need to bring a beach towel to the party for a game. Let them know it doesn't matter what type or what color, and that there will be NO water involved. They just need to bring it.

When party starts, pass around paper and pen. Have guests keep score for themselves, and ask them to get their beach towel out.

Here are the points:

- stripes = 10 points
- pink (31-signature color) = 20pts.
- beach scene = 30 pts.
- 5ft towel = 25 points
- 6ft towel = 50 pts.
- oversized towel = 100 pts.
- tag = 15 pts.
- monogrammed = 50 pts.
- 3D effects = 30 pts.
- sand = 50 pts.

If they have used it at beach already = 50 pts.

If they plan to use it at beach = 25pts.

Holes/tears/rips = minus 25 pts.

Printed on both sides = 75 pts.

Printed on one side = 50 pts.

If they purchased just for party = 75 pts.

If it's a 31 towel = 100 pts.

If they borrowed from the hostess (didn't bring own) = minus 50 points

Now, tell them if they are willing to put their towel into this bag (Thirty-one Tote-ally Awesome Tote), you will give them 100 bonus points that will help their totals, and help them at the end of the night/game.

Wait for them to decide if they are willing to give it away. Pass the bag around and collect them all. After you collect the bag back, and it's full.....

Now tell them that if they KEPT their towel, you'll give them 200 bonus pts!

Have them add their totals. The one with the most points gets a door prize!

Pass out towels to owners! =)

**Give out a prize to the winner.
